Sir,

**Subject: Work Completion Certificate:**

We would like to convey our appreciation for the way your company and employees conducted themselves to assist us with mobilizing your equipment and personnel in record time, whilst also manufacturing additional hydraulic hose to meet or specific project requirements.

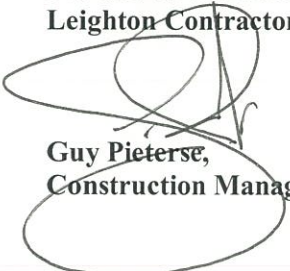

The technician mobilized to site was professional and very helpful at all times.

Your service has been exceptional and our plant superintendent Gary Denton will be in contact with your to co-ordinate rental of the same equipment on 6<sup>th</sup> March 2008.

Thanking You

Yours faithfully,

**For and on behalf of
